Description

A nice example of an early 20th century oak bookcase by 'Minty', commonly seen in lawyer's offices. Each section has two glazed doors which open outwards and the whole piece stands on small turned feet. The original Minty label is still inside the door of the top section. It is in good condition for its age and the oak has a nice aged patina. It is not without some small knocks and signs of age and use but nothing detrimental. It has been cleaned and polished and is ready for use. Please note this bookcase does not split into sections, it is fixed together as one unit. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free delivery within 10 miles of Ashburton, Devon. Regular London deliveries for £60. Nationwide delivery is available, please get in touch for an accurate quote.
