Date of manufacture: 18th Century

Dimensions

Height = 54 cm (21.3")

Width = 16 cm (6.3")

Depth = 15 cm (5.9")

Description

A quality baroque figure of Madonna depicted standing with open arms, hair cascading down her back and wearing long robes. This piece is carved from lime wood and is exceptionally well carved with intricate details to all areas. There are a couple of losses to the fingers on the right hand and a small restoration to the nose but other than this, the overall condition is excellent.
