Description

Large Arts and Crafts Leather Model of a Horse This rare and beautiful find from the early part of the 20th Century, it was probably made for Liberty This hansom beast is free standing and would very likely have been bought for a children's room, he is just the right height to sit on The condition is entirely original and unrestored, so there are a few weak points, because of this we have set his tummy on a not unattractive stand (this is not fixed just there as bit of extra support) This lovely piece is not perfect he has a few hairline cracks to the leather but sits very stable on his stand The Horse is 42" high, 46" long and 17" wide HH50 Only items dated up to 1920 can be found on Selling Antiques, to see all of our stock including Mid Century and Art Deco post 1920 please view our web site We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
