Description

A Modernist design Art Deco cocktail tray dating to the 1930's and originating from France. A reverse-painted geometric composition to the glass tray, with a nickelled framework and handles. this is a great size for modern day use, ideal for those cocktail cabinets of hostess trolleys for that finishing touch. Condition is very good, the metalwork does show signs of usage and age nothing too unsightly but is there, see pics for a better visual of description.
