Description

A Modernist design Art Deco cocktail tray dating to the 1930's and originating from France. A reverse-painted geometric composition to the glass tray, with a nickelled framework and handles. Perfect prop for those cocktail cabinets or hostess trolleys for that ideal finishing touch. Condition is good, the metalwork does show signs of usage but not anything unsightly, see pics for a better visual. The paintwork is good and bright there are some slight transfer lifting which hasn't and doesn't effect the paintwork and can only be seen in a certain light.
