Description

This antique walnut tray top side table is fine quality & has beautiful burr walnut patterns on & around the top. It's Queen Anne style, dating from around the 1920's period & is in excellent condition. This table has some wonderful features, so please enlarge all the images to see these. I particularly like the way the top walnut lipping is shaped out above the curved sides. It has pull out slides either end & a drawer on the front with original brass handles, lock & escutcheon. The bottom frieze & legs are solid walnut with fine carvings & have ball & claw feet. Width - 31 inches, 79 cm Depth - 22 inches, 56 cm Height - 28 inches, 71 cm
