Description

A fantastic statement light made from an original WW1 Lorry lamp mounted to a wooden tripod which has been rewired with a new bulb holder to fit a standard bulb. It has also been PAT tested for electrical safety. The angle of the lamp is adjustable and it can be swivelled around. The height of the tripod can also be adjusted. The whole piece looks great together. The lamp is in very good original condition and the tripod has a fantastic authentic patina. The lamp itself is approximately 8" (20cm) in diameter. The tripod itself is approximately 51" (130cm) high and together the whole piece measures approximately 63" (160cm). Please have a good look at the photos for the best description and if you have any questions at all please ask. Nationwide delivery £40.
