## Description

Gents 9ct gold Avia wrist watch, 1946. The watch has a 17-jewel Swiss hand-winding movement which is working nicely. The watch measures 30mm diameter excluding the winding crown and the lugs so it would suit a slimmer wrist. The watch has a heavy 9 carat gold case and there are hallmarks inside the case back for Chester 1946 together with a case maker's mark for Britton & Sons. The case is in very nice condition, as is the lens. The signed dial is in its original finish with blued steel hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box.
