## Description

Incredible condition, professionally serviced with 12 month warranty. The dial with the quick set date aperture is quite superb having been fully restored. It has the calibre 564 fully automatic movement. The case is unusual as it has the so called dog leg lugs. It has the Constellation logo on the back of the case which is bright and crisp. The diameter is 34.5mm without the crown. It is very rare to find this watch in such amazing condition and much sought after by collectors. The watch has just been fully serviced and is guaranteed to be a genuine Omega in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is then thoroughly cleaned in a 3 stage ultrasonic cleaning process. The movement is then fully assembled using manufacturer approved oils and lubricants and is carried out in a clean room environment. The watch movement is then checked and adjusted for accurate time keeping. The cases are polish...

Internal Ref: omega constellation
