Description

This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. Everything about this watch is original, the dial has not been retouched or restored in any way and it is just fabulous. The case is of solid 18ct gold and very importantly it has a solid 18ct gold dial which means it will never deteriorate. This is the Deluxe model which has diamonds to the 12, 6 and 9 and the date aperture. It has a calibre 343 fully automatic movement which is just superb. The case measures 35mm in diameter excluding the winding crown, of course it has the Longines logo on the crown, a genuine Longines buckle and marked Longines on the movement and case as you would expect. The Flagship emblem in the back of the case is bright and crisp. It also comes with both the inner and outer boxes and paperwork. This is a rare model and in superb original condition much sought after by collectors. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genui...
