Description

Fine and Rare pair of early Scottish Wemyss Ware chamber pots decorated beautifully in the apples pattern. Both these chamber pots are in perfect condition with no damage and very little staining. They would make a great pair of pots for holding plants in a hallway. They are both beautifully decorated with the apples design on the outside with green decoration to the handles. They are plain inside. They both have the early impressed Wemyss mark to the base. A really nice pair of early Wemyss pieces in a very desirable pattern. SIZES; 9" diameter plus the handle. 5 3/4" high CIRCA; 1900
