Description

This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Juvenia. This is the ultra slim model making this the ideal dress watch. The dial is in perfect condition having fully restored. The case is of solid 18ct gold. It has a calibre 604 21 jewels manual winding movement which is just superb. The case measures 34mm in diameter excluding the winding crown. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. The movement is then checked and adjusted for accurate time keeping. The cases are polished and sealed. Obviously this is not a cheap or quick process which is why our watches are sometimes a little more expensive than others but you can be assured our watches will give you reliable a...
