Description

Antique Buren full hunter pocket watch. The watch has a signed 7-jewel stem-winding movement which is working well. The movement is protected by an inner hinged cover. The watch itself measures 50.3mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marking from use but overall it is in nice condition. The case has monogrammed initials to the front cover. The winding crown pushes in to open the front cover. Inside, there is an acrylic lens which is in good condition. The white enamel dial has three very faint hairline cracks to the centre although none of them are too noticeable to the naked eye. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
