Description

Antique French Classical Clock Set. ~ French - Circa 1880 ~ ~~ Excellent condition ~~ A very decorative clock set by of a nice size which will easily fit on to a mantle or small side table. It is well modelled in brass which has a lovely bright and clean finish. The clock is classical in style with a restrained architectural flavour. The clock is fretted with scrolling foliage allowing the pendulum to be glimpsed swinging within the case. The candelabra have matching bases, surmounted by four arm candelabra. The beautiful dial is enamel on copper with a brass centre and is complete with blued steel hands. The French movement is very good quality and is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is original. It runs for 8 days and strikes the hours and halves on a bell. Click the movie below to hear the bell and watch the clock running! Condition of the case is excellent with clean and bright finish and there are no losses. Candelabra arms are slightly distorted and there is some minor cracking in one scone base. The dial is also excellent it, has some very slight chipping around the right hand winding hole an...
