Width = 57 cm (22.4")

Depth = 56 cm (22.0")

Description

Fantastic and rare pair of early c19th French Empire barrel back library chairs or armchairs in pale walnut, circa 1840 and upholstered in an ivory leather, finished with brass studs. Great shape to these chairs, whether you are to use them as desk chairs, hall chairs, armchairs or just to place in a corner for decor...they look fantastic from all angles. Being a library chair or desk chairs, they do have a slightly shorter seat depth than a typical armchair, although still very much ok to use as armchairs. The shape to the tub or barrel backs is really lovely, made in solid walnut and carved with the typical sweeping arms. Although not newly upholstered in the ivory leather, they are in excellent condition, sit very well and are very comfortable...many uses for these chairs really, but certainly something to be seen and admired. Measuring: 37" or 94cm high 22 1/2" or 57cm wide 22" or 56cm deep 18 1/2" or 47cm seat height 15" or 38cm seat depth Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
