Description

An elegant pair of French gilt bronze candelabra, a good set, heavy with 4 branch, sturdy and in excellent condition. They have previously been wired for electricity but would need re-wiring unless simply used with candles. They are probably by Eugene Lelievre (French, 1856-1945), and founded by Susse Frere... Dimensions approx. 18 inches tall, 12 inches wide with the base approx. 6 inches. (this does not include candles) They are really handsome interior pieces.
