Description

A 1904 Waltham pocket watch. A large case made by Dennison, stamped 'silveride' and '283' to the inner. A good quality mechanism stamped 'American Waltham Watch co'. An unusual case design, with the front and back both screwing down to the centre to eliminate dust getting in. The backplate and backcock of the mechanism is highly decorated, in a geometric design. Serial numbers date this watch to c1904. Case Width 55 mm. From Kembery Antique Clocks Ltd. you can expect a genuine pocket watch that is in full working order and sold with 12 months guarantee. Free tracked, insured and signed for delivery on a day of your choice. International deliveries please contact us for a quote. If you have any questions regarding our watches please call us or email us and we will be happy to help you.
