Sold**Item Reference: SA608892****Date of manufacture: Victorian**

Dimensions

Height = 31 cm (12.2")

Width = 10 cm (3.9")

Depth = 10 cm (3.9")

Description

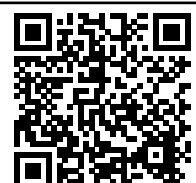

A pair of very unusual Victorian candlesticks in brass and bronze, and they weigh over 1.3kgs each. They are both in good condition with no damage or repair anywhere, and have been lightly polished but not lacquered. They have been well made with good details throughout. They have a decorative brass candle cup and drip pan, a shaped bronze column with round step bronze ends, sitting on a square shaped stepped brass bases. They measure 31cm in height, and the circular candle drip protectors are 8cm in diameter. The bases are approximately 9.5cm square and they are solid brass. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad, please contact us for a delivery quote.
