Description

Very impressive antique Swedish marble top side cabinet, which could be used as a sideboard. It has nice slim proportions from back to front & I would date it to around the 1910-20's period. This cabinet is full of intricate marquetry all over which is made up of many exotic woods & some wonderful patterns. The gilt bronze mounts are also of very high quality & are everywhere on this cabinet. Please enlarge all the images to see all these fabulous details. It has a lift off marble top & sits on turned legs with more gilt fittings. There is one drawer on the top & three cupboards below all polished inside. It's in good condition all over, including the original marble. Length - 50 inches, 127 cm Depth - 17 inches, 44 cm Height - 38 inches, 97 cm
