Description

Stunning pair of large antique gilt metal table lamps with very detailed castings involving wing cherubs figures, rams heads, flames & other fine details. They sit on onyx bases with in turn sit on claw feet. I would date them to around the 1910 period & they are in perfect condition. They do need rewiring & we can provide that service for a small amount. Please enlarge all the images to see the quality of the casting & also the measurements, because they are very large. Width – 8 inches, 20 cm Depth – 6 inches, 16 cm Height – 21 inches, 52 cm
