Description

A very attractive Danish pine chest of drawers dating from about c.1915, recently stripped of its original paint exposing a very clean and tidy bare wood. There are four full width drawers, one on top of the other, with the top drawer being curved and elaborately carved (typical of Danish chest's of this time). The original brass drop handles are in good order, and all the drawers are sliding nicely. It is ready for waxing or painting. Danish chest of drawers paint up well, and look very attractive once done so. Please contact us for a quote, if you'd like us to paint it for you. Price shown includes waxing. Height 37.5", width 37.5", depth 21"
