Description

A fantastic quality and unusual French c19th parcel gilt Trumeau mirror with a walnut frame and original glass. This is a large mirror, very decorative and a refreshing change from a typical fully gilded mirror. Ideal as an overmantle mirror, but would certainly hang well over a console table or chest of drawers for example. The frame is made in solid walnut and has been cleaned and polished really well, as has the original gilt. It has been cleaned and tidied up sympathetically, retaining its original character and superb warm walnut colour tone. The mirror would also work well as a floor standing dressing mirror due to its height. The original glass is lovely, but if you would rather a new mirror plate, this can be done for you. The original glass does have areas of age and spotting...let me know what you think, I personally love it like this! Measuring: 86" or 218.5cm high 44" or 112cm wide at cornice 41 3/4" or 106cm wide body of frame Delivery to most England, Wales and Scotland addresses at £75 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
