Description

A lovely small table gong, dating from the early 20th Century. It is good quality, made of heavy solid brass in the Art Nouveau style with a brass handled beater. It is in good condition for its age. It has been lightly cleaned and polished and displays very well. The beater is in good condition and most importantly it makes a very satisfying 'bong'! The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £10.
