Description

A lovely small old pine dresser, made for a cottage with low ceilings. Dating from about c.1915, in excellent solid condition. Recently stripped of its original paint, exposing a very clean and tidy bare wood and is now ready for waxing or painting. The top section consists of two glazed cupboard doors and a single shelf inside, then there is a good size work surface below. The base is a double panelled door cupboard with a single shelf inside. Both sets of doors are hung on the original attractive external hinges, allowing them to open fully. The top separates from the base for delivery and access. Please contact us for a quote for painting. Height 69.5", width 44", depth 17"
