Description

Beautiful 1930's Art Deco dressing table with a modernist slant. Originating from England and oozing everything about this wonderful bygone era we've all come to love and admire, this dressing table is one not to be missed! Veneered in a blonde walnut, it comprises a huge mirror sectioned in three pieces, a thick plate glass shelf, ideal for your fabulous display of perfume bottles, maybe the odd picture frame and vanity items. Either side are two generous sized drawers for all those accessories you don't want on view, with stepped open shelves again ideal for displaying piece. A very curvaceous piece of furniture that would make a real statement to any room, that not only looks stunning but is very functional too. As with all our furniture it comes to you in excellent condition, going through our workshops to be fully and professionally restored. All drawers run smoothly and free from any defects.
