Description

These are fine mirrored mahogany jewellers display cabinets that have come from a London Mason's lodge, where they have been well treated for the last 100 years. They have beautiful colour and patina, and require a quick wax up before they leave. They have three layers of adjustable shelves, twister handles and lock. They stand on mahogany bases. We have four of these identical cabinets, but they can be sold separately. W: 130cm (51.2")H: 236cm (92.9")D: 36cm (14.2")
