Description

A Victorian button back nursing chair, circa 1880, with nicely shaped waisted back over a circular seat and raised on mahogany ring turned front supports with original brass and porcelain castors. Currently upholstered in a 1930's moquette fabric. In good condition, all springs are good with no lumps or bumps to the seat, the castors are original and all matching. I can arrange re-covering with my upholsterer and supply fabric - please contact me for further details. 67cm high, the seat measures 56cm at the widest point, 42cm deep and 27cm high.
