Description

This antique walnut & burr maple chest of drawer has really nice slim small proportions & is good quality. It has a serpentine shaped front, with a reeded top edge & bracket feet. The top & the drawer fronts are burr maple & the sides are burr walnut. It's in excellent condition, having just been polished & still has the original brass handles. This chest has a lovely warm colour, with loads of character & I would date it to around the 1930's period. Width - 19 inches, 48 cm Depth - 17 inches, 43 cm Height - 47 inches, 119 cm
