Description

Pair of antique classical bronze urns & lids with well cast decoration depicting many cherubs, grape vines & other classical items. The lids have very detailed well defined cherubs. These urns were originally gilded & there is some gilding still showing in places, but quite faded. I like them as they are, but some people would have them re-gilded. Please enlarge all the images to see the quality. I would say they date to around the 1860-80's period. Width – 9 inches, 22 cm Depth – 6 inches, 15 cm Height – 14 inches, 36 cm
