Description

A three mirrored door, old pine wardrobe dating from about c.1925. A nice example of a triple wardrobe from Germany. Each original mirror has an arched top, and are all in very good condition. There is shelving space, for folded clothing, and very deep internal hanging space (22") for large coat and suit hangers. The drawer fronts are fake, for decoration only - inside is lots of space in the bottom for storage. The wardrobe dismantles for delivery and access. It was stripped of its original paint and waxed some time ago. You can buy it in its current condition £625. The price shown includes cleaning up and re-waxing.
