Description

Good clean pair of Victorian silver plated decanter coasters. These are a pleasing design and are of good quality. They are heavy with nicely turned mahogany bases. There is a dome disk in the middle of the bases which is probably silver. The silver plating is in very good condition with hardly any rubbing. A real nice pair !! SIZE; 6" diameter by 2 1/4" high. Inner diameter is 4 1/4". CIRCA; 1870 - 1880
