Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct yellow gold case and is fitted to brand new premium quality black leather strap. It is quite stunning and has its original rare solid 18ct gold dial which means it will never deteriorate, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. This is a calibre 650 manual winding movement and is an absolute gem and is the smallest movement ever made by Omega, sparkling clean and in like new condition having just been overhauled and serviced, this is a movement from the golden of Swiss watchmaking. As you would expect from Omega the watch is fully marked on the dial, movement and case, the case is fully hallmarked. It comes complete with a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case is small and measures 14mm in diameter not including the crown. Overall this watch is in beautiful condition and looks as if it was ha...
