

SA613965

Sextant by Stanley London

Price

Sold**Item Reference: SA613965****Date of manufacture: Edwardian**

Dimensions

Height = 14 cm (5.5")

Width = 32 cm (12.6")

Depth = 25 cm (9.8")

Description

Brass sextant with silvered measurement guide by Stanley London in original mahogany case. Eyepiece & lenses in box. Used condition. We are not experts on these instruments but think this sextant could be late Victorian/Edwardian but no doubt the buyer will have greater knowledge than us. Measurements given are for the mahogany case. Would benefit from a clean as untouched by us.
