Description

Antique Longines niello cased pocket watch. The watch has a signed stem-winding movement which is working nicely. The movement is protected by an inner hinged cover which is signed Longines and has details of trade medals won in the Paris Grand Prix in 1900. The watch measures 50mm diameter excluding the winding stem and the loop. The niello ware case with a rose gold wash is most unusual and very handsome. The watch glass is in lovely condition. The signed dial is in beautiful condition with original pin-set shaped hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box.
