A large one piece antique pine cupboard/cabinet with 2 glazed doors at the top and 2 shaped panelled doors below. 2 shelves inside the top and a single shelf in the base. Please note: this is in one piece and does not dismantle so please check access carefully. Currently in the bare wood having recently been stripped of its original paint. In good condition dating from about c.1910. I would usually wax inside the top section as it's glazed. If you are planning to store linen then just let me know not to wax inside for you.
