Description

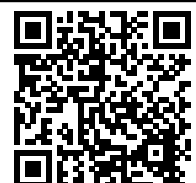

A Victorian Mahogany Shelved Press with Hanging rail. This is an appealing piece of furniture dating from around 1880, the cupboard sits on top of the 2 Drawer chest of drawers with a neat cornice at the top. The Cabinet has been painted with advertising for a Shop selling Drew and Sons Luggage, this lettering is a 20th century addition. The cupboard has two deep drawers with brass swan neck handles and stands on a neat bracket footed plinth. The Cupboard has a hanging rail and 2 removable shelves allowing it to be used as either a hanging cupboard or with the shelves. The Press is in sound condition, there is small chunk of wood missing from the back on the right hand side. This would be a very good storage piece in either a modern or traditional setting. The cupboard is 66" high, 33" wide and 21" deep. THH115.
