Description

A truly superb, heavy gauge Silver Tea Caddy Spoon. The spoon is more unusual as it is pierced to act as a sifter (to enable tea leaves without the dust). Beautifully pierced, with the most attractive handle and bowl, the Caddy Spoon is clearly fully hallmarked on the back for the Sheffield Assay Office with a date mark for 1945 and Lion Passant indicating the finest sterling silver. The silversmith's marks are also very clear for Oliver & Bower Ltd. A very charming spoon, feels lovely to hold in the hand and a good heavy weight. In lovely antique collector's condition. Hallmarks and maker's marks: Sheffield 1945 by Oliver & Bower Ltd. Measurements: Length of spoon: 7.7 cm approx. Width at widest part across bowl: 4.3 cm approx Weight: 28.7 grams approx.
