Description

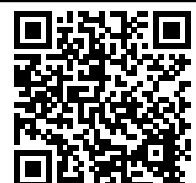

Imposing pair of early C19th French Charles X period bronze lamps on 'rouge griotte' marble bases . Good large-scale pair of bronze candelabra lamps of superb proportions and design. Raised on triform concave-sided 'rouge griotte' marble bases , set on well-cast and detailed leaf-s scrolled feet with an inverted berry finial beneath . The tapering column body with coiled serpent detail wrapped around the shaft. The 3-branch candle knozzles with crisply cast detail , and cast classical anthemion or palmette motif to the underside . The central light-fittings each with twin bulb holders . Fitted with a screw-off central knob to accommodate shades with a centre ring fitting. In excellent condition with a consistent rich patination and colour to all elements. The marble bases of well-chosen highly figured stone . Powerful Empirical classical design conveying bold decorative presence to bring both style and gravitas to a period setting . Can be re-wired to client's specification and PAT tested (inclusive). Supplied without shades . H (overall) 42' H (top of body) 27" W 7.5" D 7.5" France c. 1825

Internal Ref: ML 1904
