Sold**Item Reference: SA61551****Date of manufacture: 1850**

Description

An extremely well modelled spelter military soldier on horseback delivering a scroll message. A substantial example with amazing detail in the casting process. A good colour and all original, not having been cleaned at all. The piece sits firmly on a good solid oblong base. Measurements are from tail to nose 16 inches and is 18 inches in height. The base measures 12" x 5.5". The depth is 8 inches from rider's foot to foot. The condition is excellent with no damage. There should be a fine braided wire rein which is not attached. This would have been removable and not part of the main spelter. TELEPHONE 07765 856171 TO RESERVE. HOURS 10 AM - 10 PM 7 DAYS A WEEK. DELIVERY UK MAINLAND/CALL FOR A QUOTE
