Description

An outstanding example of an early Victorian Cranberry glass oil lamp with a hand cut and polished marble and square decorated brass base having spade feet. The lamp is in very good condition for its age and is ready to use should you have a power cut this winter. There have been two new wick tapes fitted as the lamp has a twin burner head which is fully adjustable. Today you can buy an odourless and smokeless lamp oil which is a great benefit to the old stuff. Please be quick to snap this one up, as it's the nicest one I have seen for a long time. Measurements are 25 Inches in Height with the base being 6 Inches Square. TELEPHONE 07765 856171 TO RESERVE. HOURS 10 AM - 10 PM 7 DAYS A WEEK. DELIVERY UK MAINLAND/CALL FOR A QUOTE.
