Description

Generous size pair of French c19th carver chairs or desk chairs in mahogany with fully reupholstered seats. The chairs are unusually large with a generous size seat to them, so great for use as a pair of desk chairs perhaps, or as originally used as dining carved chairs. These are a French pair of carver chairs or elbow chairs, the arms detailed and standing on a tapered leg with a shield back. The frames are structurally good and sit very well. If they are to be decorative hall chairs, they will sit either side of a large console or chest with these proportions. Measuring: 39 3/4" or 101cm high 24 1/2" or 62cm wide 21" or 53.5cm deep Seats: 19" or 48cm high 22" or 56cm wide 16 1/2" or 42cm deep Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
