Description

A nice set of 3 matching sterling silver Bon Bon dishes. They are delicate and stylish with scrolling repousse detail around a central heart shaped dish with a bow at the top, standing on three small ball shaped feet. They are good quality and weigh approximately 34g in total. They are all fully hallmarked for Charles Horner, Birmingham, 1900. They are in good condition with clear hallmarks, although the hallmark on one has faded but is very visible on the underneath (See photo). There are some faint surface marks and a few light scratches and small dinks but nothing detrimental and they display very well. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £5.
