Description

This rare lazy susan dates from the early half of the last century and is in nice tidy condition. It has good graining in the timbers and the pie crust edge to each surface. being a two tier one it gives good opportunity to put a little more on the surfaces without taking up more table space, 46 cms in diameter. A great item for the modest cost here, just £245. Carriage can be arranged, specialist carrier £60/70 or post about half that but most open carriers will not insure antiques. dont hesitate to give us a call if you would like to discuss 01565 874075
