Description

This antique mahogany adjustable easel is in good original condition & still has a few remnants of paint here & there. We didn't want to clean it off, because we thought it was in keeping with the overall character. This easel has a nice shape & all the necessary functions needed. I can't make my mind up whether it's solid walnut or mahogany. It's in very good condition & I would date it to around the 1880's period. Width – 27 inches, 69 cm Depth – 14 inches, 36 cm Height – 68 inches, 173 cm
