Description

Nice compact burr maple & walnut breakfront sideboard in excellent condition having just been French polished & dating from around the 1930's period. The top, the drawer fronts & cupboards all have walnut cross banded edges. The middle drawer has some old dividers inside, which we have left in. The bottom cupboards all have single shelves inside, plus there are locks & keys. It's a lovely mellow colour & has original brass handles & sits on bracket feet. This sideboard is very slim from back to front, which I believe would be quite useful if space is limited. Width – 47 inches, 120 cm Depth – 15 inches, 39 cm Height- 30 inches, 76 cm
