Description

Large antique Victorian solid mahogany open bookcase in excellent condition & dating to around the 1860's period. This bookcase is of high quality & the wood has a lovely nutty brown colour. The three shelves are all adjustable on sharks teeth supports & it has a solid panelled back. We have another of these bookcases, very similar & a bit smaller with two shelves. They both came out of the same private residence. Don't worry about the couple of marks showing on the top of this bookcase, because they will be polished out. We obviously didn't notice them when photographing. Width - 48 inches, 120 cm Depth - 12 inches, 30 cm Height - 48 inches, 122 cm
