Description

A Victorian inkwell with a large winged bird (Eagle?) holding a brass ball container with the original white porcelain ink pot inside. The whole item measures approximately 13.5cm in height and has a 16.5cm in diameter base. The details of the bird of excellent, especially the feet and wings with a very good effect of feathers on the body. The ceramic pot has a small chip on one side - see photo 3 and there are a few marks on the top of the lid of the brass ball commensurate with age. Postage and packing within the UK mainland is included in the price and for outside areas or abroad, please contact us for a delivery quote.
