Description

Large French Farmhouse Pine Table This is a very good looking Pine table, the pine has a mellow age darkened colour with few signs of a previous life. The pine has an attractive appearance, the 1.5" thick plank top has only minor blemishes, and the chunky 4" turned legs are stout and sturdy. The table is in very good condition, it is sound and does not wobble there are no loose joints and no splits in the table top, with a piece of this strength and quality it will stand up to no end of future use. The table is 36" wide, it is 96" long, it is 30" high and 25" under knee and will seat 10 or 12 diners.
