Description

A very elegant 19th Century French mahogany console table raised on curved legs with lion paw feet. The table has its original black marble top with rounded corners, full length frieze drawer and lower display shelf. The table is in good condition, the colour and patina are excellent and have not been repolished, there are one or two marks and blemishes that one would expect on an antique piece in original condition. A beautifully slim table to add style and character to a hallway or small room. c.1850 Width: 44.5" (115cm) Depth: 17.5" (44.5cm) Height: 37" (94cm)
