Description

For your consideration are these wonderful matching pair of Art Deco wall lights which date from the 1930's. Recently rescued from a Hotel In Paris that was being refitted, these lights are both substantial in size and quality. Deeply embossed glass depicting swags of foliage and flower heads, splayed fan shape to the tops of the glass narrowing to a stepped three tier to the base. Solid brass back plates. Bayonet fittings. These lights will be rewired but will need to be checked by a qualified electrician for safety as we're antique dealers not electricians! Both lights are in good vintage condition with no damage to note. We currently have over 100 original and all fully serviced Art Deco clocks in our inventory, you can view these along with a huge selection of other Art Deco originals here at www.artdecoworld.co.uk
